**Petition of DGMB Casino, LLC d/b/a Resorts
Casino Hotel For Approval For a Type II
Location To Serve Alcoholic Beverages in
the Hotel Lobby From a Portable Bar
(Portable Bar in Lobby)**

ORDER
PRN 1631302

By its Petition (PRN 1631302), DGMB Casino, LLC d/b/a Resorts Casino Hotel (“Resorts”) requests from the Division of Gaming Enforcement (“Division”) an amendment to its Casino Hotel Alcoholic Beverage (“CHAB”) license to authorize an expansion of its licensed premises with the requested addition of a portable bar to be located in Resorts’ hotel lobby on the first floor of the casino hotel as delineated on the architectural drawing submitted with the Petition. The portable bar, which will only dispense beer via four (4) taps, would be operational during times dependent upon business volume. The portable bar would be a cash bar with the option of serving preferred patrons on a complimentary basis. As the sales of alcohol from the portable bar will be in open containers for on-site consumption, Resorts is requesting the authorization of the portable bar location as Type II (hotel) outlet.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Petition be granted and the licensed premises of Resorts be expanded accordingly, subject to the following conditions:

1. Alcoholic beverages are to be served from the portable bar by the glass or other open receptacle for on-site consumption only.

2. The conditions of operation of the portable bar locations within Resorts' lobby are to be in accordance with the representations made in PRN I 631302.
3. The portable bar will be staffed by either a bartender or bar porter at all times when the bar is open or alcoholic beverages are present. When the bar is closed for business, the portable bar will be stored in a secure, approved CHAB storage location.
4. Resorts' Security Department will monitor the portable bar as part of their assigned security posts and Resorts' Surveillance Department will monitor the portable bar via their CCTV system.
5. Resorts will maintain procedures to insure that service of alcoholic beverages to patrons from the designated portable bars will be only to those individuals who are 21 years of age or older and that such beverages are not served to individuals who are actually or apparently intoxicated.
6. While conducting the sale of alcoholic beverages from the designated portable bar, Resorts will comply with all requirements attendant to Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(2)* and with all applicable alcoholic beverage laws and regulations of the Division and, as deemed applicable, the Division of Alcoholic Beverage Control.
7. Resorts is to obtain all necessary approvals from other governmental agencies prior to commencing operation of the designated portable bar location.
